JOHN WILLOUGHBY

Shot by James Freeman-Injuries Serious.

a seene of excitement. Five shots merchant, the Baptist minister and from a thirty-two caliber pistol his wife and others have the diswas cause sufficient to bring citizen ease and that several hundred perin the neighborhood to the street, sons have been exposed.

James Freeman, contractor, and together near the Farmers Bank town. building the trouble was renewed. Freeman had a thirty-two caliber pistol and the first shot struck Willoughby in the right cheek, acturing the bone and passing downward rested under the jugular, the second shot produced a flesh wound in the right hip. The wound in the face is pronounced serious. The other three shots missed their aim.

Mr. Willoughby's statement in brief, is, that Mr. Freeman was trying to buy a horse and buggy from his brother, who was drink-He did not want the outfit sold at the price named and because of this he and Mr. Freeman had quarreled. They parted and the time named he was going down Bank street and was called by Freeman and went across the street to where he stood; here the quarret was renewed and without warning Freeman began shooting, wounding him in the face and hip.

clined to make a detailed statement | sold at cost for CASH. saying the facts would all come out on the witness stand. That he had been trying to avoid trouble. That Willoughby saw him at the bank building, came across to where he was and the shooting was in selfdefense. Both men express regrets on account of this occurrence.

Freeman was arrested and taken to the county jail and was released from custody on a bond of \$500 pending the action of the grand jury now in session.
